Dear Ms. Harle;

Attached, please find the results of your search request for application #09/814143. I have concentrated on finding information on Medical records, telemedicine, access by patient, 3rd party or healthcare professional, survey and rewards. There are a couple results that contain all of the requested points. Many of the records contain everything but the survey and incentive for filling the survey in.

Please let me know if you need to have further search refinement.
